CASE NO:

US. Bureau of Prisons
Defendant

2:20-CV-00-274-ECM-WC

Honorable Emily MARKS
US District Judge
U.S. District Court
MIDDLE DISTRICT OF ALABAMA

Dear Judge MARKS ,

I AM writing concerning the class action lawsuit
against the Bureau of Federal Prisons, in the ABOVE
CASE number, ON April 1, 2020 each inmate was
Ordered to return to there Assigned cell, As the
Bureau of prisons (B.O.P) implemented A mandatory modified
lockdown with NO movement inside or out side ,

The dorms HAVE Become the new incubators

For the COVID-19 virus All inmates living inside.

MONTGOMERY is one of the new Hot spots

And the proper measures HAVEN'T BEEN TAKEN

to Assure our safety the best recommendation

IN order to decrease the spreading of the

virus is to practice social distancing (c.d.c.gov)

UNfortunately, the living quarter makes it very difficult

if not impossible to Achieve this recommendation.

EACH Dorm HAS EIGHT units, EACH unit CAN Hold 40 men

these men share 4 showers, 4 sinks, 2 toilets AND 1 urinal

everyday AND day AND NO Lysol spray AND Bleach.

The third problem is concerning the protective equipment.

After three months AND seven days of Hearing AND seeing

the pandemic spread Around the world ON April 6, 2020 B.O.P

finally issued Facial MASK we still HAVEN'T BEEN tested for viruses

These MASKE ARE EXCHANGED EVER MONDAY I AM
THANKFUL FOR the MASK, AS A piece of protective
equipment, SINCE HAVING something is better than
HAVING nothing the problem is Congress allocated over
100 million dollars for imates to recieve OSHA N95 MASK
These MASK ARE to Block 95% of very small particles
including viruses to this date 5-27-2020 now
Has been issue they Just gave US WASHABLE MASK
that come from tercloth made by UNICOR please Help
US...

Respectfully,

Reginald Mekye
